HOW TO USE THIS GUIDE

This guide includes all the events that will take place from Saturday, August 22, through Sunday, August 30, and into the fall semester. We have marked all events you are required to attend with the \( \text{M} \) mandatory symbol, so you will want to put those events into your planner first (see page 9). Many activities will be specific to your individual school and college, and others will be university-wide.

All activities are for all new undergraduate students – this means both first-year and transfer students. Any activity that is specifically for transfer students will state this clearly and will be marked with the \( \text{T} \) transfer program symbol.

Arriving on Campus

Once you’ve arrived in Syracuse, you are likely to encounter many other families bringing their student to the University. University housing is open for assisted new student move-in from 9 a.m. to 5 p.m. Wednesday, August 26, and from 9 a.m. to 2 p.m. Thursday, August 27.

WHAT IS A MOVE-IN PASS?

A move-in pass is the printed pass you display on your vehicle’s dashboard during new student move-in. You register for your pass through the Move-In Pass System in July to select your specific move-in day and time. Move-in passes are available on a first-come, first-served basis. You will receive more information about registering for your move-in pass in your syr.edu email account.

WHAT TO DO WHEN YOU ARRIVE ON CAMPUS:

IF YOU LIVE ON CAMPUS:

1. Arrive on campus following the printed directions on pages 4-5 of this guide.

2. Display a printed copy of your move-in pass on your vehicle’s dashboard at all times and follow the directions provided by the public safety and parking staff members to enter the holding line for your specific residence hall.

3. You will be directed when you reach the front of the holding line to unload your car and move your belongings to your room. A legal driver must stay with the vehicle at all times.

4. When your vehicle is empty, you will be directed to park in a designated location. You should continue to move-in while the driver parks.

5. Get settled in your residence hall and participate in all Syracuse Welcome events!

IF YOU LIVE OFF CAMPUS:

1. Go to the Office of Off-Campus and Commuter Services, located at 754 Ostrom Avenue, to meet the staff and pick up your SU I.D. card if you submitted your photo over the summer.

2. Participate in all Syracuse Welcome events!

WHO WILL GREET YOU AT MOVE-IN?

• Orientation Leaders (OLs) will be present at all residence halls to answer questions and assist with move-in.

• Goon Squad members (Goons) will manage the move-in bins and help you unload your car and move your belongings to your room.

• Faculty and staff volunteers will be at residence halls to greet you, provide directions, and answer your questions.
SU I.D.

WHAT IS YOUR SU I.D.?
Your SU I.D. card is the official University identification card for every student, faculty, and staff member at SU. Your SU I.D. lets you do all the following and more:

- Gain entry to various campus facilities
- Access your meal plan
- Check out library materials
- Ride campus shuttle buses for free
- Use campus athletic facilities
- Use FOOD and PLUS funds

FOOD ACCOUNT
FOOD is a declining balance account, which can be used in all Food Services locations (including dining centers, food courts, and vending machines) for food and non-alcoholic beverage purchases.

PLUS ACCOUNT
PLUS is a declining balance cash account, which provides access to goods and services through your SU I.D. Card. The PLUS account can be used in campus washers/dryers, to buy tickets at the Schine Box Office and Carrier Dome Box Office, at the Schine Copy Center, in campus convenience stores, and many more locations.

The amount you add for both FOOD and PLUS is charged directly to your student bursar bill. All meal plans come with an established amount of FOOD funds. PLUS accounts must be activated separately and take just $25 to get started. Get full details at http://housingmealplans.syr.edu/mealplans.cfm.

OBTAINING YOUR SU I.D.
Before the August 15 deadline, upload your photo via the SU Photo Upload website — housingprod.syr.edu/idc/security/syrlogin.cfm — so that your SU I.D. can be ready for pickup when you arrive on campus. If you uploaded your photo by the deadline, your SU I.D. will be waiting for you when you check in to your residence hall or South Campus apartment. SU I.D. cards will not be distributed before your check-in/move-in pass time.

COMMUTER STUDENTS
If you submitted your photo over the summer, you can pick up your SU I.D. card from the Office of Off-Campus and Commuter Services at 754 Ostrom Avenue between 8:30 a.m. and 5 p.m. Wednesday, August 26, through Sunday, August 30.

DIDN’T UPLOAD YOUR PHOTO THIS SUMMER?
If you did not upload your photo over the summer, you need to visit the Housing, Meal Plan, and I.D. Card Service Center at 206 Steele Hall to have your photo taken and card made. Please remember to bring some form of photo identification with you when you visit the Service Center.
Parking Information During Syracuse Welcome

Due to the large number of people and vehicles on campus for Syracuse Welcome, parking is limited to certain areas. After you move into your residence hall, you will be directed where to park by a faculty/staff volunteer, public safety officer, or parking staff member. Parking is not available directly at each residence hall to accommodate those unloading their vehicles. If you’re moving into Day, Flint, or Shaw halls, you will be directed to park at the Manley South or Skytop lots and take a shuttle back to your residence hall.

If you leave campus and return after moving into your residence hall, it is recommended that you park in the Manley South or Skytop lots and take a shuttle back to your residence hall to avoid the traffic and congestion of new student move-in.

PARKING PERMITS

Residential first-year students may not bring vehicles to campus without prior approval by Parking and Transit Services. For eligible students, parking permits will be issued on Saturday and Sunday, August 29 and 30, from 10 a.m. to 5 p.m. in the Parking and Transit Services office at 621 Skytop Road on South Campus. Parking permits can also be obtained weekdays during normal business hours.

SYRACUSE UNIVERSITY STATEMENT ON ACADEMIC ADVISING

Academic advising is an essential component of a Syracuse University education. The University is committed to providing the individual advice and assistance that you need at every step throughout your degree program. A successful system of academic advising is highly dependent upon a shared commitment of students, faculty, and staff to the process and availability of timely, accurate information.

STUDENTS

Students are responsible for scheduling, preparing for, and keeping advising appointments; for seeking out contacts and information; and for knowing the basic requirements of their individual programs. Students bear the final responsibility for making their own decisions based on the best information and advice available and, ultimately, on their own judgment.

ADVISORS

Advisors are responsible for developing a thorough knowledge of the degree requirements within the student’s program of study and a working knowledge of academic options and resources throughout the University. Advisors are expected to involve students by encouraging them to ask questions, gather information, and explore options so that they may develop meaningful academic plans. Advisors will be available to students on a regular basis, monitor their advisee’s progress, assist in considering career options, and make appropriate referrals to other campus offices.

THE UNIVERSITY

The University, through its schools and colleges, pledges to support a campuswide network of faculty, staff, and student peer advisors by providing them with a clear and firm foundation of information regarding policies, procedures, resources, and programs. The University is committed to help faculty and staff develop effective advising skills, to evaluate its system of academic advising and support services, and to make improvements where necessary.

Alma Mater

Where the vale of Onondaga
Meets the eastern sky
Proudly stands our Alma Mater
On her hilltop high.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the evening twilight deepens
and the shadows fall,
Linger long the golden sunbeams
on the western wall.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the shades of life shall gather,
dark the heart may be,
Still the ray of youth and love shall
linger long o’er thee.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.
