- Gain entry to various campus facilities
- Access your meal plan
- Check out library materials
- Ride campus shuttle buses for free
- Use campus athletic facilities
- Use FOOD and PLUS funds

FOOD ACCOUNT

FOOD is a declining balance account, which can be used in all Food Services locations (including dining centers, food courts, and vending machines) for food and non-alcoholic beverage purchases.

PLUS ACCOUNT

PLUS is a declining balance cash account, which provides access to goods and services through your SU I.D. Card. The PLUS account can be used in campus washers/dryers, to buy tickets at the Schine Box Office and Carrier Dome Box Office, at the Schine Copy Center, in campus convenience stores, in the Bookstore, and many more locations.

The amount you add for both FOOD and PLUS is charged directly to your student bursar bill. All meal plans come with an established amount of FOOD funds. PLUS accounts must be activated separately and take just $25 to get started. Get full details at housingmealplans.syr.edu/mealplans.cfm.

OBTAINING YOUR SU I.D.

Before the January 13 deadline, email your photo to housing@syr.edu – so that your SU I.D. can be ready for pickup when you arrive on campus. If you are commuting or live off-campus, your SU I.D. will be ready for pickup at the Housing, Meal Plan, and I.D. Card Service Center in 206 Steele Hall. SYRACUSE UNIVERSITY STATEMENT ON ACADEMIC ADVISING

Academic advising is an essential component of a Syracuse University education. The University is committed to providing the individual advice and assistance that you need at every step throughout your degree program. A successful system of academic advising is highly dependent upon a shared commitment of students, faculty, and staff to the process and availability of timely, accurate information.

STUDENTS

Students are responsible for scheduling, preparing for, and keeping advising appointments; for seeking out contacts and information; and for knowing the basic requirements of their individual programs. Students bear the final responsibility for making their own decisions based on the best information and advice available and, ultimately, on their own judgment.
ADVISORS
Advisors are responsible for developing a thorough knowledge of the degree requirements within the student’s program of study and a working knowledge of academic options and resources throughout the University. Advisors are expected to involve students by encouraging them to ask questions, gather information, and explore options so that they may develop meaningful academic plans. Advisors will be available to students on a regular basis, monitor their advisee’s progress, assist in considering career options, and make appropriate referrals to other campus offices.

THE UNIVERSITY
The University, through its schools and colleges, pledges to support a campuswide network of faculty, staff, and student peer advisors by providing them with a clear and firm foundation of information regarding policies, procedures, resources, and programs. The University is committed to help faculty and staff develop effective advising skills, to evaluate its system of academic advising and support services, and to make improvements where necessary.

Alma Mater

Where the vale of Onondaga
Meets the eastern sky
Proudly stands our Alma Mater
On her hilltop high.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the evening twilight deepens
and the shadows fall,
Linger long the golden sunbeams
on the western wall.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the shades of life shall gather,
dark the heart may be,
Still the ray of youth and love shall
linger long o’er thee.
Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.
